

Fall/Halloween Theme Shadow Box Picture Making Class – Wednesday, September 30th

5:30 – 7:00 PM

In this hands-on craft class, students will create a layered Fall or Halloween-themed paper shadow box using their choice of design. Participants will learn how the Cricut machine cuts each layer, how to assemble and elevate the paper to create a dimensional “pop” effect, and how to install the finished piece into a shadow box frame. This is a beginner-friendly project that offers both creativity and step-by-step guidance, and everyone will leave with a completed seasonal décor piece ready to display.
